

To whom it may concern:

Please do not take away my KLOVE station. I have been listening to and supporting KLOVE for as long as it's been in El Paso. I was very happy and excited to know that El Paso would finally have a Contemporary Christian station that didn't have a lot of static. KLOVE serves this community by playing uplifting music and helping people by prayer. Many people have come to know the Lord through KLOVE. When people are depressed or going through a tough time in their lives, KLOVE is there to encourage them and help them get through it. Taking KLOVE off the air would be a big mistake!

Thank You,
Raquel Sanchez
